# Dolomiti No Borders Youth Football Tournament Forni Avoltri, Udine, Italy

**ACTM** Ltd  
Travel emotions

The tournament takes place right on the borders between Italy and Austria, in Piani di Luzza, within the municipality of Forni Avoltri. This is a lush and picturesque location, surrounded by the Dolomites and the Carnic Alps: definitely a magic setting where the delicate balance between man and nature has gracefully withstood the passage of time. The convenience of having all football fields within less than 300mt from the accommodation facilities will allow the young footballers to concentrate on their matches and will let them also enjoy some spare time to play some other sports or make new friends: the numerous indoor and outdoor facilities will indeed encourage the social life during the tournament.

The location is also ideal for families and supporters who wish to accompany their youngsters, and take advantage of the pure air and relax in this idyllic scenery.
